UNCORKED!

AVERAGE ATTENDANCE: 2,000+

Historic Richmond Town opens its grounds to more than 40 local restaurants, wineries and breweries for a food and wine festival like no other! What once was a community gathering place more than 300 years ago once again hosts an annual gathering where community staples join forces and showcase the best eats on Staten Island. Not only do these establishments sample their best items, but restaurant legends will demonstrate live their favorite dishes and participate in one-of-a-kind cooking and drink-making classes. This year, Uncorked! will focus on representing the diversity of blends and tastes this island has to offer! You don't want to miss it!
